

Services Provided by CAEP TAP

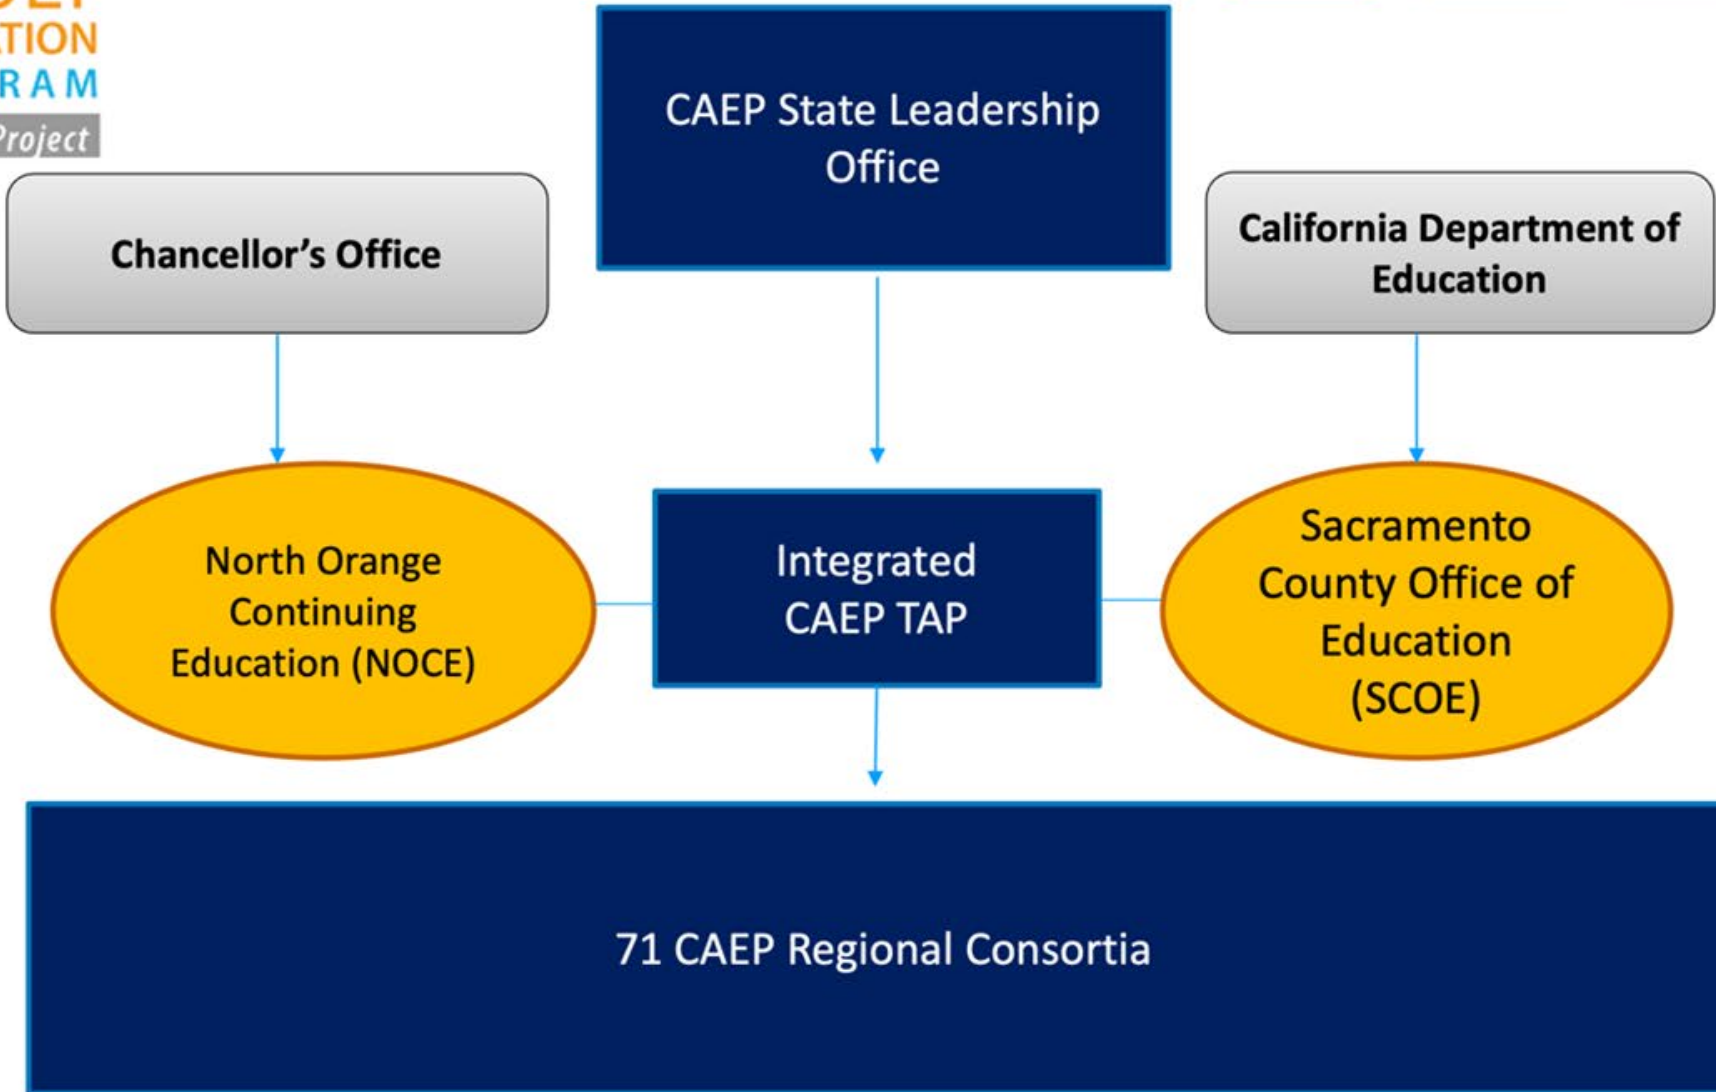

By the end of this session, attendees will:

1. Identify the purpose of CAEP TAP.
2. List services and resources that will be available for the 2025-2026 program year.
3. Demonstrate how to access services across CAEP TAP.

CAEP TAP Teams

Our Mission

California adult educators in K-12 and community colleges work synergistically with workforce and education partners, community stakeholders and industry through the CAEP's 71 consortia to ensure that students are prepared for life, for work and to support their families and strengthen communities, no matter where they are in their educational journey.

Model Programs

The Advancing CA Adult Education Showcase is one of the tools provided for CAEP to support stakeholders in developing and sharing best practices. This showcase is a collection of successful and proven practices that have been implemented across the state by CAEP consortia. Use these examples to get ideas for what practices may work to help your region achieve its goals or to learn more about how consortia have successfully implemented practices your region is beginning to put into action.
