Overview:

The California Adult Education Program (CAEP) annual planning process along with the Member Work Plan and Budget, in accordance with Education Code §84914(a)(2) and §84906(a)(1), is designed to provide consortia and members an opportunity to review the current Three-Year Plan, consider key accomplishments and challenges from the prior year, and outline goals and activities for the upcoming program year. The CAEP Annual Plan is a condition of receipt of an apportionment from CAEP and is a justification demonstrating how planned allocations are consistent with the adult education plan (as mandated in Education Code §84914(a)(2)).

This document provides guidance and establishes procedures to complete and submit the CAEP Annual Plan using the California Community College Chancellor's Office (CCCCO) NOVA online platform. Sections of this document correspond to sections outlined in the Annual Plan as it appears in NOVA and describe the content that must be included in the consortium's response, per requisite Education Code. This document also provides step-by-step directions to complete in NOVA.
